

Amendments to the Specification

Citations in these instructions refer to paragraph numbers as contained in the published application for the subject invention, that is, US 2004/0068961.

Instructions to Amend the Specification

1. Between paragraph 0025, which is a description of Fig. 4, and paragraph 0026, which is a description of Fig. 5, please insert the following paragraph, which is a description of Fig. 4A:

**Fig. 4A** is a schematic illustration of the locus of movement of elements of a plunger mechanism of an exemplary embodiment of the invention.

2. Please insert the following paragraph after paragraph 0047:

Movement of an elongate element or finger **214** in a circular or oval locus as described is illustrated schematically in **Fig. 4A**.
